CiboDivino Marketplace is teaming up with Texas Ale Project to host a night of Texas brewed beers paired with beefed up dishes from chef Ryan Olmos. The chef has created a unique, six-course menu of small bites to be paired with a variety of Texas Ale Project specialty brews. In addition to a night of feasting and entertainment, attendees will receive a free pint glass courtesy of Texas Ale Project. Tickets are \$50 and can be purchased through CiboDivino's website. Guests are encouraged to purchase tickets quickly; the event has limited seating and a maximum cap at 35 people.
