

Cashier

Located in Oak Cliff's Sylvan Thirty development, CiboDivino offers a casual, inviting atmosphere for our community to connect.

We are looking for a Cashier willing to go above & beyond for our customers and the team as a whole. CiboDivino has an immediate opening for a part-time cashier.

So, if you're a highly motivated individual looking for a job you can grow in, then CiboDivino is the place for you!

Cashier responsibilities include, but are not limited to:

- Always greeting guests with courtesy and hospitality; providing excellent customer service to our guests
- Policing the front-of-the-house to maintain a clean, safe, and inviting environment for guests
- Knowing the menu and providing detailed information when asked, e.g., portion sizes, ingredients, potential food allergies
- Informing guests about in-house specials, or offering menu recommendations upon request
- Up-selling additional products when appropriate
- Taking accurate food and beverage orders utilizing the POS system and ensuring orders are delivered correctly
- Checking customer IDs to ensure they meet minimum age requirements for consumption of alcoholic beverages
- Communicating details of any special requests to the kitchen staff
- Checking dishes, glassware, and flatware for cleanliness and presentation
- Reporting any problems to the supervisor or kitchen lead when appropriate
- Carrying dirty plates, glasses, and flatware to the kitchen for cleaning
- Reviewing daily chef case specials, changes to the menu, and/or in-house special events with the Manager on duty
- Must follow all health department regulations
- Being a team player and effectively communicating with the kitchen staff is elemental
- Patience, politeness, personality, and perseverance are necessary to thrive and succeed in this role

Cashier Requirements:

- Must be TABC certified and have a current Food Handlers certification
- Proven work experience as a waiter, waitress, or cashier is a plus
- Hands-on experience with cash register and ordering information systems, e.g., Micros
- Basic math skills and ability to make the correct change on a cash purchase
- Excellent presentation skills
- Strong organizational and multitasking skills with the ability to perform well in a fast-paced environment
- Active listening and effective communication skills with the team & customers
- High school diploma or equivalent
