

Pizza Maker

CiboDivino offers a casual, yet high-energy setting, inspired by the Markets in Italy. We source the highest quality ingredients and imported products from Italy. We are looking for a pizza cook with a passion for food, who can deliver on presentation and uphold our high-quality standards.

We offer authentic Neapolitan pizza made in its custom Stefano Ferrara Oven delivered from Naples, Italy. Our pizza is hand-tossed and made to order. Everything in our kitchen is made from scratch. If you are looking for a place to grow and build a career, bring your knowledge and appetite for success, and become a part of the CiboDivino team!

Pizza Maker Responsibilities include:

- Leading a pizza line and coordinating tickets to ensure standards are met
- Making high-quality pizza with consistency in time standards and presentation
- Keeping areas clean, restocked, and organized
- Being a leader in guest interaction and service while making orders
- Training and aiding your team during rushes
- Prepping high-quality pizza toppings
- Checking the quality of ingredients
- Encouraging your team to be the best in their position
- Maintaining a positive and fun restaurant environment

Pizza Maker Requirements:

- Must have current Food Handler's certification
- Previous hospitality/food service experience is required
- Ability to learn quickly in a fast-paced, high-volume environment
- Self-motivated achiever interested in taking on additional roles and responsibilities
- Commitment to career growth
- Open availability is strongly desired
- Must be dedicated to excellence and hospitality and have a desire to make others smile
- Must have an eagerness to learn and to take advantage of new opportunities
- Cross-training and cross utilizing skills
- Availability to work in shifts: days, evenings, and/or weekends as needed
- High school diploma or equivalent
- Experience in using various ingredients, cooking, and cutting techniques is required
